

The Multiples

Mauritius

Brush free makeup at its best! This multi-purpose oil free stick in sheer, modern cherry-red is a winner of the coveted British best beauty product award! Works like kindling for eyes, cheeks, lip and body with a unique cream to powder formula that can be reapplied throughout the day to highlight sculpt and warm the skin with color and a luminous shimmer.

NARS

Lipgloss

The last word in glamorous pouts, these slim wands of translucent lipglosses in must-have-them-all colors impart a deliciously sexy high shine luster to the modern kisser!

Three see-through gloss colors:

Babe— translucent orange

Scandal –translucent red

Revolt — translucent purple

NARS

Sabrina Lip Therapy

The fruit juicy before-and-after booster balm for lips — rich with aloe, vitamin e and avocado and rose hip oil, SPF 20 and the taste of melon! Under lipstick this juicy hint-of-a-tint lip softening treatment lets you prep, smooth lines and protect. Over lipstick it adds shimmer and taste to mattes, brightens dark colors — and helps every shade last longer.

NARS

Heatwave Lipstick

On fashion runways, hot tomato is now synonymous with sex. Semi matte, moist, and irresistibly glamorous this true tomato red shade was the top designer's favorite for their collections —and the exact shade you wished you had at least a thousand times because this is the rd that plays up a pout with style.

NARS
